Hon Daniel Fox  
Supt. U. S. Mint  
Philadelphia Pa.

Sir,

I enclose you herewith for an opinion  
a united state cent, date of 1820.

In my search among collectors of rare  
coins, for counterfeit coins, I found one  
man with about 400 of such cents as  
I enclose you, the person holding the coins  
claim them to be genuine, they may or  
may not be genuine, I am not a  
judge in such a case, and therefore refer  
the same to you. I notice many defects in  
the die, you will notice the die from which  
this was struck was evidently broken nearly  
the entire surface around on the obverse side.

An early opinion is most respectfully solicited.

Very truly &amp;c
